

Canine Parasite Prevention Options

Advantage Multi +/- Seresto Collar

Protects Against Heartworms, Roundworms, Hookworms, Whipworms and Fleas

Advantage Multi is a Topical Liquid applied at home every 30 days

This product alone **does not protect against ticks**

ProHeart 6 (12) & Simparica

Protects Against Heartworms, Roundworms, Hookworms, Fleas and Ticks

ProHeart 6 (12) is an injection given by veterinarian every 6 (12) months

Simparica is a Liver Flavored Chew given at home every 30 days

Seresto Collars can be substituted for Simparica

Seresto Collars are worn snugly around the neck and each collar lasts 6-8 months
